Precious

Precious

(darrel smith / carol duboc)

I'm with you, you're with me  
This is reality  
We're together like never before  
And now i want you more  
Heaven must have sent you  
So perfect your love

Bridge

Come to me don't be afraid of this love  
Never let go  
In my heart you're everything  
That i need to survive  
You keep me so alive

Chorus

Your love's so precious  
Like a diamond in the rain that drops  
On the window pane  
Your love's so precious  
Nothing in the world could ever take me away

You're the love of my life  
I'm gonna do you right  
'cause you possess a heart of gold  
You're so beautiful  
These feelings that you give me  
I'll keep forever
