

# Chantal Chamandy, Take A Chance

I know you have been watching me  
tell me why your hiding... are you scared  
scared to look in my eyes... and feel

feelings, that you never had  
are growing, and you cannot hold them back  
your loosing control... do you like it?

jump, take a chance  
close your eyes, take my hand, tell me things that you can't  
move to the beat, hold me tight, feel the heat cause you know what I need  
and you will be calling my name... in your dreams

lo s, mi desideri  
dimmi, cosa senti per me  
sar tua e lo sai  
se vuoi

sento, il respiro che hai  
dolce, la tua mano mi tocca  
puoi baciarmi e lo sai  
tu lo puoi

brividi  
volano  
nei tuoi occhi e nei miei  
anime  
girano  
e non si perdono mai  
amami

jump, take a chance  
close your eyes, take my hand, tell me things that you can't  
move to the beat, hold me tight, feel the heat cause you know what I need  
and you will be calling my name... in your dreams
