

Chantal Kreviazuk, Actions Without Love

He ran a marathon
He didn't quite finish
He didn't quite cross the finish line
Actions without love
It never really crossed his mind

He sure got the accent down
And he sure can swoon the ladies
And ya know
One day he'll learn
Actions without love

The whole bloody language

She pulled out her cheque-book
She asked what the date was
She had to double-check
Actions without love
She had to have an audience
Actions without love

L o v e !!!!
