

# Chantal Kreviazuk, All I Can Do

When you're on your own  
When you're at the fork in the road  
You don't know which way to go  
There's too many signs and arrows

You haven't left in a while  
When you can't even fake a smile  
When you feel ashamed  
The uniform don't make you brave

[Chorus:]

All I can do is love you to pieces  
Give you a shoulder to cry when you need it  
When the day is long  
And then night is coming down on you  
All I can do  
All I can do  
All I can do

When you forget your name  
The pleasure can't disguise your pain  
You don't feel the same  
I won't forget the love you made

[Chorus]

What a lovely day to shape your dreams  
And you don't even have to sleep  
You can make it what you want to be  
You can fly away  
You can change your name  
Have a happy faith  
If you'll be so real  
Oh

[Chorus]

It's all that I can do
