

Chantal Kreviazuk, Disagree

Ooh ... oh ... you know it
You know I'd rather disagree

You tell me what you want from me
Well, I'm not sayin' I'll believe
I could solve your mystery
But I would rather disagree

Ooh ... you know it, yeah
You know it
I'd rather disagree

You say the truth will set me free
So how come you're comin' down on me
You think it's real if you can see
Well, I don't take to that philosophy

'Cause you know
I would I would I would I would I ...
Yeah
I would I would I would I would I ...
I would I would I would I would I ...
Yeah
I would rather disagree
Yeah
I would rather disagree

Do you see yourself inside of me
And do I take away your miseries
Am I just one more catastrophe
Yeah, I always say what I don't mean

You know
I would I would I would I would I ...
I would I would I would I would I ...
I would I would I would I would I ...
Yeah
I would rather disagree
Yeah
I would rather disagree
I'd rather disagree
I would rather disagree

Don't you feed me, I'm full
You know I'd starve before I'd fall
Don't bleed me, don't bleed me

Even if you're right
Even if I'm wrong
Even if you're right
Even if you're wrong

I'd rather disagree
I would rather disagree
I would rather disagree
Oh, I would rather disagree
I would rather disagree
I would rather disagree
I would rather disagree
(Even if you're right)
I would rather disagree
And I would rather disagree
(Even if you're right)
(Even if I'm wrong)

I would rather disagree ...
