

Chantal Kreviazuk, In My Life

Oohh ...

There are places I remember
All my life
Though some have changed
Some forever
Not for better
Some have gone
And some remain
All these places have their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life
I've loved them all

But of all these friends and lovers
There is no one
Compares with you
And these memories lose their meaning
When I think of love
As something new
Though I know I'll never those affection
For people and things
That went before
I know I'll often stop and think about them
In my life
I love you more

Though I know I'll never lose affection
For people and things
That went before
I know I'll often stop and think about them
In my life
I love you more

Oohh ...

In my life
I love you more
