

# Chantal Kreviazuk, Plain Jane

I feel so Plain Jane, I have no costume  
I have no hairdo, limited attitude  
But I can blend in with the best of 'em  
Bring me a crowd and watch me get lost within  
All the skies, all the nights  
Every star, every moon's so bright  
No more lies or disguise  
This is me and it's genuine  
I feel so Plain Jane, I have no costume  
I have no hairdo, a limited attitude  
But I can blend in with the best of 'em  
Bring me a crowd and watch me get lost within  
All the skies, all the nights  
Every star, every moon is mine  
No, no lies or disguise  
This is me, it's paradise  
Oh, my serenity, oh, my liberty  
Oh, I paid my price  
Oh, my sincerity, oh my humanity  
Oh, it feels so nice  
I feel so Plain Jane, I have no costume  
I have no hairdo, limited attitude  
But I can blend in with the best of 'em  
Bring me a crowd and watch me get lost within
