

Chantal Kreviazuk, Say Goodnight, Not Goodbye

Say goodnight, not goodbye
You will never leave my heart behind
Like the path, of a star
I'll be anywhere you are

In the sparke that lies beneath the coals
In the secret place inside your soul
Keep my life, in your eyes
Say goodnight , not goodbye

Don't you fear, when you dream
Waking up is never what it seem
Like a jewel buried deep
Like a promise meant to keep

You are everything you ought to be
So just let your heart reach out to me
I'll be right, by your side
Say goodnight, not goodbye

MUSIC BREAK

You are everything you ought to be
So just let your heart reach out to me
Keep my life, in your eyes
Say goodnight, not goodbye

Say goodnight, not goodbye
