

Chantal Kreviazuk, The Way

The sky was gray for so long by
The time the sun came out
I didn't notice, I was too far gone
And now this building's not so high
And forever ain't so long
I don't remember, no, what went wrong
This is the way I'm feelin'
Can't take away what's real to me, no
This is the way I'm turnin'
So let me go and don't do anythin' at all
Sorry for how I drag you around
Up when you're down
And down when you're up
I should just cheer you on
Somewhere, there's your middle ground
You know you're there
Oh, when you've found your love
And then you're free
This is the way I'm feelin'
Can't take away what's real to me, no
This is the way I'm turnin'
So let me go and don't do anythin' at all, at all
Somewhere there's your middle ground
You know you're there
When you've found your love
This is the way I'm feelin'
Can't take away what's real to me, no
This is the way I'm turnin'
So let me go, don't do anythin', no
This is the way I'm feelin'
Can't take away what's real to me, no
This is the way I'm turnin'
So let me go, don't do anythin' at all
