

Chantal Kreviazuk, Waiting For The Sun

I don't need to be forgiven
I don't want your sympathy
It's a mad mad world
But it's still turning

Don't wanna get too complicated
Or get so dark that I can't see
Yeah it's a mad mad world
But I'm hoping

[Chorus:]

I'm waiting for the sun to shine
I wait until the day I die

I'm tired of living in the shadows
But I'm not giving up on me
It's a sad sad world
But I'm still waiting

I can't worry about tomorrow
What each new day's gunna bring
Cause every dark cloud
Has a silver lining

[Chorus x2]

Ah ah ah ah ah ah ah ah ah ah
Ah ah ah ah ah ah ah ah ah ah

[Chorus x2]

It's a mad mad world
Oh I'm gunna live my life
Oh
It's a mad mad world
Oh
Die
I
