

# Chantal Kreviazuk, What If It All Means Some

If I could do anything for you  
Believe me I would  
Do you feel the same?  
Feel the same as me?  
If I could be anyone for you  
Believe me I would  
I'm not ashamed  
Not ashamed to be  
It's hard for me to know  
Sometimes I feel like letting go

But what if it all means something  
What if it all  
What if it all means something  
What if it all

If I could go anywhere for you  
Believe me I would  
I'd run away, I'd run away  
I'd leave  
If I could fix everything for you  
Believe me I would  
Do you feel the same?  
Feel the same as me?  
It's hard for me to know  
Well maybe I should just let go

But what if it all means something  
What if it all  
What if it all means something  
What if it all  
What if it all means something (then I want to know)  
What if it all  
What if it all means something  
What if it all

Leave me alone  
I am falling apart here  
Leave me alone  
I am falling  
If I could do anything for you  
Believe me I would  
Do you feel the same?  
Feel the same as me?  
It's hard for me to know  
Well maybe I should just let go

But what if it all means something  
What if it all  
What if it all means something  
What if it all  
What if it all means something (I wanna know)  
What if it all  
What if it all means something  
What if it all  
What if it all means something (I wanna know)  
What if it all  
What if it all means something (I wanna know)  
What if it all  
Yah, (what if) it all means something, something, something, something  
What if it all means something  
What if it all  
I know it all means something
