

# Chaos UK, Skate Song

Grinding off the neighbor's cat  
Baggy shorts and stupid hat  
halfpipe hero I am not  
Where's the brakes, I cannot stop

Scootering, scootering, scootering and free  
Me and my skuda wrapped 'round a tree

The local park is really fun  
Skating with my skating chums  
Elevator off the wall  
Fuck me, not another fall

Now I'm lying in this bed  
Broken arm and busted leg  
I wished I'd never had gone riding  
I should have taken up hang gliding
