

# Chauseum, Smile Again

Maybe you are not a fool  
Maybe I'm in the wrong world  
I feel something  
But I see nothing  
I need to break the blind  
And leave it all behind  
Smile (make me), smile (make me), smile (all the time)  
Smile (make me), smile (make me), smile (all the time)  
Smile (make me), smile (make me), smile (all the time)  
Smile (make me), smile (make me), smile (all the time)  
My feelings make me so insane  
I don't know how to stop the game  
This lie is my only way to  
Smile again  
You think that can serve my face  
But my soul's falling disgrace  
And I stay lonely  
Ashamed and ugly  
Smile (make me), smile (make me), smile (all the time)  
Smile (make me), smile (make me), smile (all the time)  
Smile (make me), smile (make me), smile (all the time)  
Smile (make me), smile (make me), smile (all the time)  
My feelings make me so insane  
I don't know how to stop the game  
This lie is my only way to  
Smile again  
Are you lonely now?  
(In a night without stars)  
Are you lonely now?  
(Who is tearing me apart?)  
Are you lonely now?  
(I don't wanna be, I don't wanna be)  
(I don't wanna be, I don't wanna be so sick)  
(I don't wanna be, I don't wanna be)  
(I don't wanna be, I don't wanna be so sick)  
I don't wanna be, I don't wanna be  
I don't wanna be, I don't wanna be so sick!  
I don't wanna be, I don't wanna be  
I don't wanna be, I don't wanna be so sick!  
My feelings make me so insane  
I don't know how to stop the game  
This lie is my only way to  
Smile again  
My feelings make me so insane  
I don't know how to stop the game  
This lie is my only way to  
Smile again  
My scars hiding my blame  
Will you understand my shame?  
My insanity allows me to  
Smile again
