

Chapel Hart, You Can Have Him Jolene (America's Got Talent)

Well, since the last song I've had time to think it over
A lot of tears, a lot a beer, a lot of wine
I spent so much time believin' that that midnight phone stopped ringing
But he'd leave the room and answer every time
Well, it didn't seem so easy with that broken glass in pieces
And you holding me and saying you were wrong
Well, I'm tired of second chances and these sad ass circumstances
He's your problem, good luck keeping him home
Oh Jolene, you can have him 'cause he don't mean much to me
Well I've cried so much, 'til rivers turned to seas
Oh Jolene, when you think that he's in love he'll surely leave
Like he did me
You can have him Jolene
Well, I fixed my crown from leanin' and those wedding bells stopped ringin'
I took my keys and threw 'em at his door
Well, I found a man who loves me and he'll give me all I need
What a woman could ask for anymore
Oh Jolene, you can have him cause he don't mean much to me
Well I've cried so much, 'til rivers turned to seas
Oh Jolene, when you think that he's in love he'll surely leave
Like he did me
You can have him Jolene
Oh Jolene, you can have him 'cause he don't mean much to me
Well I've cried so much, 'til rivers turned to seas
Oh Jolene, when you think that he's in love he'll surely leave
Like he did me
You can have him Jolene
You can have him Jolene
You can have him Jolene
