

Chapman Beth Nielsen, All I Have

Chapman Beth Nielsen
Beth Nielsen Chapman
All I Have
You can say you love me
And I'll believe that's true
Trusting you is easy
'Cause I believe in you

There is nothing I would miss
As long as we're in love like this

CHORUS

All I have is all I need
And it all comes down to you and me
How far away this world becomes
In the harbor of each other's arms

I feel like I've known you forever and ever
Baby, that's how close we are
Right here with you is where my life has
come together
And where love has filled my heart

You know I'd go anywhere
As long as I have you to care

CHORUS

Ooh- and with the love you bring
I never want for anything
I found what I've been searching for in you

CHORUS
