

# Chapman Gary, Heal Me

Chapman Gary  
The Light Inside  
Heal Me  
by Gary Chapman

Heal me!

I'm not sure how much more I can take  
I can't tell at what point I will break  
But I can feel it coming on  
I can feel it coming on  
I'm so tired of planning my next fall  
I might lose my head and lose it all  
I can feel it coming on  
Yeah, I can feel it coming on

And I'm so sorry that I'm feeling so sorry for myself  
I want to stop this

CHORUS:

Life isn't fair  
I don't deserve this  
How did this start  
And when will it pass  
I want a chance  
Though I may falter  
Here at this alter  
I dare to ask you  
To heal me, won't you heal me, come and heal me, heal me

There is a hope I don't deny  
Deep in my heart I want to try  
And I can feel it coming on  
I can feel it coming on

And I'm so sorry that I'm feeling so sorry for myself  
I want to stop this

(REPEAT CHORUS)

Heal me, heal me  
Heal me, heal me  
I'm askin' you to heal me, heal me  
Come and heal me, come and heal me  
When I need you, when I need you  
Won't you heal me  
When I'm cryin', when I'm hurtin'  
Won't you heal me  
I'm down on my knees, I'm beggin' you please  
To heal me  
Come and heal, heal me, heal me, heal me
