Galaiaans 6:7-8

The T.V. said just make sure you're old enough  
And let your feelings tell you when it's right  
What went wrong? She thought it was really love  
Now she wonders why she just can't sleep at night  
Was it worth the price she has to pay

Chorus

It's either truth or consequences, there's no other way  
Push truth aside, the other takes its place  
Well, you can close your eyes  
But that won't make it go away  
The truth or consequences must be faced

The headlines say our world's in a lot of pain  
Hurled from all the selfishness and greed  
What went wrong? Like sheep all have gone astray  
We'll reap what we sow, don't be deceived  
His truth's been given and it's there before us  
Written on the page and in our hearts

Chorus

As sure as God made the sun to shine  
He made the rules we must all live by  
He loved us too much to leave us alone  
To our own devices

Repeat Chorus
