

# Char, Cheetah Sisters

theres a time when we all choose  
to either quit or follow through  
to just loose faith  
or trust your heart  
to some how lead you through the dark

we're not the only one who's dreaming  
who needs help to carry on  
we might get lonely but we're not alone

chorus  
cause we are sisters  
we stand together  
we make up one big family no we dont look the same  
our spots our different  
different colors  
we make each other stronger  
that ain't ever gonna change  
believe it mister  
we're cheetah girls cheetah sisters

someones always there be hind  
to catch us if we fall

chorus
