

Charice, And I Am Telling You (I'm Not Going)

And I am telling you I'm not going
You're my best man I ever know
There's no way I can ever go
No, no, no, no way
No, no, no, no way I am living without you
I am not living without you
See I don't wanna be free
I'm staying, you're staying and you, and you
You're gonna love me, you're gonna love me
And I am telling you I'm not going
Even though the rough times are showing
There's just, there's no way, there's no way
We're part of the same place
We're part of the same time
We share the same blood
We both have the same mind
And time and time we've had so much to share
No, no, no, no, no, no
I'm not waking up tomorrow morning
And finding that there's nobody there
Darling, there's no way
No, no, no, no way I'm living without you
I'm not living without you
You see there's just no way, there's no way
Tear down the mountains, yell, scream and shout
Like you can say what you want I'm not walking out
Stop all the river, push, strike and kill
I'm not gonna leave you, there's no way I will
And I am telling you I'm not going
You're my best man I ever know
There's no way I could ever, ever go
No, no, no, no way
No, no, no, no way I'm living without you
I'm not living without you, not living without you
I don't wanna be free, I'm staying, I'm staying
You, you, you, you're gonna love me
You're gonna love me, you're gon' love me
Gonna love me, gonna love, love me
You're gonna love me, love me, love me
Love, you're gonna love me
