

Charity, Shine On

Why is it you sit alone?
Have you heard that time is here and gone?
Butterfly don't wait too long
Silent teary eye, don't waste your song
Don't you know, don't you know
Little sunshine, you are gold
Don't you know, don't you know
There's a song in your soul
Don't you know, don't you know
Budding flower, sing again
Don't you know, don't you know
Tears will end
Open up your wings and stand
Let the wind lift you above this land
Show the rain that yes, you can
You can hold the world in your hand
Shine on, shine on, with the light of the sun
That can never fade from the horizon
Shine on, shine on, oh, a new day is dawning
So soar on the morning, shine on
Don't you know, don't you know
Little sunshine, you are gold
Don't you know, don't you know
There's a song in your soul
Don't you know, don't you know
It is springtime once again
Don't you know, don't you know
You're my friend
Don't you know, don't you know
Don't you know, don't you know
Budding flower, sing again
Don't you know, don't you know
Tears will end
