## Charizma, Common cred

It's a call to love Love and mercy It's a call to give And ask for nothing in return It's a call to give your love away It's a call to hope For the hope of glory It's a call to live To grow in grace and try and learn What it means to give your life away A house divided will never stand Let's join together We're stronger hand in hand **CHORUS:** Common struggle Common to the everyday man Common table The body and the blood Common Savior For God so loved the world What we need Is a common creed It's a call to arms It's a fight of faith Sound the alarm No time to lose, no time to waste In this war for the soul of man A house decided will never stand Let's join to gether We're stronger hand in hand CHORUS I believe in God the Father In Jesus Christ His only Son I believe there's only one way to the Father By grace through faith alone
