

# Charlatans Uk, How Can You Leave Us

Charlatans Uk  
Tellin' Stories  
How Can You Leave Us  
Darlin' don't you cry  
Whatever is yours is mine  
All the pictures on your wall  
I know you look up to them all  
Usually love comes first  
I watch as you twist and turn  
I could give you mouth to mouth  
And only the truth would come out

Here i come how can you follow  
It's only a gut feelin'  
I don't want to believe it  
How can you leave us  
How can you bleed on us

Darlin' you live to learn  
Hanging on all our words  
Promise me you'll be home soon  
I could rush through the city to you  
Won't find you in this world  
Catchin' dinosaurs  
No saint will save you this time round  
I only wish you were here with us now

Here i come how can you follow  
It's only a gut feelin'  
I don't want to believe it  
How can you leave us  
How can you bleed on us
