

Charlatans Uk, Over Rising

Charlatans Uk

Melting Pot

Over Rising

hey, hey some missionary

Boil at 100 degrees

No one before has ever known what you're after

But who wants to know?

Standing here i've always known that you wanted to get your hands onto my place

Forsaken i know she's got a bad time coming

But who wants to know

Ease yourself down on me

Overrising, washing me down again

Overrising, washing me down and now you're dragging me out

Holding me down and now you'll obviously strip me

Of all the possessions i own

Nobody cares as long as you can remember

That he's the only god who drops you down

Ease yourself down on me

Overrising, washing me down again

Overrising, washing me down and now you're dragging me out

Overrising, washing me down again

Overrising, washing me down and now you're dragging me out

Overrising, washing me down again

Overrising, washing me down and now you're dragging me out
