

# Charlatans Uk, The Only One I Know

Charlatans Uk

Melting Pot

The Only One I Know

The only one i know, has come to take me away

The only one i know, is mine when she stitches me

(chorus)

Everyone has been burned before, everybody knows the pain

Everyone has been burned before, everybody knows the pain

The only one i see, has found an aching in me

The only one i see, has turned her tongue into me

Chorus

The only one i know, never cries, never open her eyes

The only one i know, wide awake and then she's away

Chorus

The only one i see, is mine when she walks down our street

The only one i see, has carved her way in to me

Chorus
