

Charles Hamilton, Loser

I'm not leaving out this motherfuckin both till I get this shit right.

Uh [x3]

It's charles hamilton

[Verse 1:]

How does it feel to wake up to the feeling that knowin tht I don't give a fuk wat u feeling. I didn't know

[Chorus:]

I once was the loser now I'm older still the same loser that's y I look so different to ya you see the p

[Verse 2:]

It's all about the benjamins baby but I been having different sentiments lately do think these listen v

[Chorus:]

I once was the loser now I'm older still the same loser that's y I look so different to ya you see the p

[Verse 3:]

Yo kirk pass me the jesus juice so I can get deep up in these beats like roots this isnt a verse man

Fresh out the mothafukin mosh pit straight out the slums of motherfuckin soul I should be a punk ro

[Chorus:]

I once was the loser now I'm older still the same loser (press space bar nigga) that's y I look so diffe

[Ending:]

Gone stay the same, gone stay the same

Gone stay the same, gone stay the same [repeating]
