I believe He Died For Me

I BELIEVE HE DIED FOR

I never saw the
the cross he carried
up to calvary hill

I never saw
the precious blood
that my savior spilled

I never heard
the mob that cried
oh let him be crucified
no I never saw it
but I believe for me he died

And every step he took
to calvary
(oh thank you lord)
and every drop of blood he shed
he shed for me
there's a lot of things
I can not see oh no
but I I believe when Jesus died
he died for me

I never saw
the many burdens
that my savior bore
I never saw
the crown of thorns
that my Jesus wore
I never saw
that lonely hill
where he was crucified
no I never saw it
but I believe for me he died

And every step he took
to calvary
and every drop of blood
he shed
he shed just for me

now there's a lot of thing
oh thank you Jesus
that I can not see oh oh
but I I believe
when Jesus died
he died for me

There's a lot of things oh thank you Jesus
that I can not see no no
but I believe when Jesus died
he died for me

Oh thank you Jesus
thank you Jesus

Somebody shout praise the lord
praise the lord
will you shout praise the lord praise

(praise the lord)

oh praise the lord
a lot of thing
we don't get an opportunity to see
but I am so glad that I believe
when Jesus died
even over 2000 years ago
before I oh thank you Jesus
I believe Jesus had me in mind

I never saw
the rusty nails
that they drove through his hands
and his feet
and you see I wasn't there
to hear him say to his father
why have thou forsaken me
remember reading this

I never saw
the roman soliders
when they peirced him
in his side
but when he hung his head
in the locks of his shoulders
I believe for me he died

And every step he took
to calavary
and every drop
drop of blood he shed
i'm glade he shed it
just for me
now there's alot of things
I can not see
thank you lord
but I believe
when Jesus died
he die for me
