I Can't Even Walk

Lord I can't even walk without you holding my hand

I thought that number one would surely be me

I thought I would be what I wanted to be

I thought I could build on lifes sinking sand but I can't even walk without you holding my hand

I thought I could do

a lot on my own

I thought I could make it all alone

I thought of myself as a mighty big man

but and I found out later I can't even walk without you holding my hand Sometimes I steal away all b

Lord I can't even walk

without you holding my hand

( how many of you tell the lord just like this sometimes)

The mountain is to high

and the valley is to wide

down on my knees

(thank you lord)

I learned to stand

because i can't even walk

without you holding my hand.

Praise the Lord

(As simple as it may seem we can't even walk without the lord holding our hand can I testify tonight)

One sunday

I made Jesus

my all and all

from now own

when I'm in trouble

(can't speak for you tonight)

But only his name I'll call

and if I

don't trust in him

I'll be less than a man

because I can't even walk

without you holding my hand)

Those of you that fell like that this evening help us sing the chours one last time

Chours:Lord

I can't even walk

without you holding my hand

can't do without the lord tonight

the mountain is to high

and the valley is to wide

down on my knees

I learned to stand

because I can't even walk without you holding my hand.
