I Know I've Been Sealed

I know i've been sealed  
to the day of redemption  
one day jesus will come  
just to take me away  
and forever i'll be  
in a beautiful mansion  
and i'm gonna live with the saints  
in glory someday.

you know i feel like sing that again tonight

I know i've been sealed  
to the day of redemption  
and one of these old days  
jesus will come  
and he'll take me away  
and forever i'll be  
in a beautiful mansion  
and i'm gonna live with the saints  
in glory someday.

Here's my testimony

My life was all a reck  
yes it was  
with burdens and care  
i had no one to comfort lord  
my poor soul within  
and I drifted afar  
lord on lifes stormy sea  
yes I did

and my life was all dark and gloomy for me  
but here's the best thing about it

one day I heard of a man and his name is jesus  
who died on a cross  
thank you jesus  
to save sin sick souls  
in a world  
which was lost  
one day I called on jesus  
his precious blood covered me  
thank you jesus  
and jesus lifted my burdens and he set me free  
and I thank God  
I know I been sealed  
sealed sealed to the day of redemmption  
and one day jesus will come just to take me away  
and forever i'll be in a beautiful mansion  
and i'm gonna live with the saints in glory some day
