Express yourself, express yourself You don't ever need help from nobody else All you got to do now **Express Yourself** What ever you do, do it good What ever you do, do it good, all right It's not what you look like When you're doin' what you're doin' It's what you're doin' when you're doin' What you look like you're doin' Express yourself, express yourself They're doin' it on the moon, yeah In the jungle too, everybody on the floor, now Jumpin' like a kangaroo. So, let the horns do the thing they do, yo Some people have everything And other people don't But everything don't mean a thing If it ain't the thing you want Express yourself, express yourself Oh, do it, oh, do it Do it to it, go on and do it Yo, do it, give Express yourself, express yourself
