

# Charles Wright & The Watts 103rd Street Rhythm

I have heard all about Love Land  
And all of its little charms  
But I know I'll never get to Love Land  
Unless I'm wrapped up in your arms  
Got to take me with you  
Baby please, take me with you  
How I'd love to walk down that golden street  
Hand-in-hand with you where all the lovers meet  
Whoa, I'd love to go to Love Land with you  
Pretty baby, 'cause my love is true, I swear, I do  
I have heard all about Love Land  
And all of its youthful hearts  
Well, loneliness just can't live there  
And happiness is the answer  
You've got to take me with you  
Baby, got to take me with you, oh yeah  
How I'd love to walk down that golden street  
Hand-in-hand with you where all the lovers meet  
How I'd love to go to Love Land with you, yeah  
Oh, I'd like to walk with you down that golden street  
Hand-in-hand with you where all the lovers meet  
Oh, I'd love to go to Love Land, Love Land with you  
I do, swear I do, my love is true  
Take me with you, baby  
Yeah, take me with you, baby yeah  
Got to, got to, got to, got to, got to  
Got to take me by the hand  
Tell me, tell me, tell me baby, I'm your lover man  
Together we can go and where we'll stop, yeah  
Everybody will know, got to take me with you  
Got to take me with you
