

Charley Pride, Hope You're Feelin' Me (Like I'm F

No one could hold me no one could control me but now my future is up to you

Your lovin' can shape me make me or break me

Oh I hope you're feelin' me like I'm feelin' you

This feeling is crazy and only you can save me

From this love thing that I've got for you

Your love is a potion Lord and I need a notion

Oh I hope you're feelin' me like I'm feelin' you

Cause these changes got me goin' in circle

First I turn away then turn right back to you

Well I need your lovin' to keep me from sinkin'

Oh I hope you're feelin' me like I'm feelin' you

[guitar]

Wanna win when I gamble no need to ramble I doubled my lovin' when I gave it to you

I gotta do it with you I can't do it without you

Oh I hope you're feelin' me like I'm feelin' you

Cause these changes got me...

Yes I hope you're feelin' me like I'm feelin' you
