

Charley Pride, I Can See The Lovin' In Your Eyes

Lovin' you's the last thing I think of every night
The first thing in the morning when I rise
There's no doubt in my mind that you were made for me
Cause I can see the lovin' in your eyes
I can feel the lovin' in your fingers I can hear the lovin' in your sigh
I can taste your lips so warm and tender I can see the lovin' in your eyes
[steel]
I don't have to wonder if what you feel is real I just let my conscience be my guide
You give me every reason for believeing in you cause I can see the lovin' in your eyes
I can feel the lovin'...
I can see the lovin' in your eyes I can see the lovin' in your eyes
