

# Charley Pride, I'll Be Leaving Alone

Yes, I'll buy you a drink  
If you'd like me to  
I might even dance  
A slow one with you  
Lord, knows you're a looker  
And, honey, what's more  
It's not hard to see  
What you're looking for  
'Cause you're as tempting a woman  
As I've ever seen  
But there's someone in Dallas  
Who's trusting in me  
She's the mother of my children  
I'm the rock she leans on  
So thank you but no thank you  
I'll be leaving alone  
As we dance in the shadows  
And you're holding me tight  
I can feel the invitation  
I've seen in your eyes  
And the soft light and the music  
And the wine's rosy glow  
Ain't making it easy  
For me to say no  
'Cause you're as tempting a woman  
As I've ever seen  
But there's someone in Dallas  
Who's trusting in me  
She's the mother of my children  
I'm the rock she leans on  
So thank you but no thank you  
I'll be leaving alone  
So thank you but no thank you  
I'll be leaving alone
