

# Charley Pride, I'm Only Losin' Everything I Threw

Mornin' lonely mornin' I feel so lonesome raindrops fallin' down  
Leavin' Lord she's leavin' she bought a oneway Greyhound ticket from this town  
Takin' she's been takin' she's been a long time takin' all of my hurtin' away  
Losin' I'm only losin' I'm only losin' everything I threw away  
I'm only losin' someone special who never made me cry  
That warm and tender someone who's lips just said goodbye  
I'm only losin' my tomorrow my today and yesterday  
I'm only losin' everything I threw away

Beggin' Lord I'm beggin' askin' her please take me back again  
Cryin' Lord now she's cryin' but with tearfull eyes she slowly shakes her head  
Footsteps her fading footstep walking out the door now I'm alone  
Dawnin' for me it's dawnin' this time she's not foolin' she's gone  
I'm only losin' someone special...  
I'm only losin' everything I threw away
