

Charley Pride, I Think I'll Take A Walk

I think I'll take a boat and sail the ocean and spend my life just roaming on the sea
And kiss the girls from Panama to China then she'll be sorry she mistreated me
I think I'll take a walk and think it over cause things are gettin' tougher for me here
Now that someone else has come between us I think I'll take a walk and disappear
[steel]

I'll think about the way it makes me jealous to see her walking arm in arm with him
I'll think about the stars up in the heaven and wish that I could be on one of them
I think I'll take a walk just to forget her and walk about a million miles from here
I have a notion to just be a rambler I think I'll take a walk and disappear
