Just Between You And Me (1967)

So I feel so blue sometimes I want to die

And so Ive got a broken heart so what

They say that time will heal all wounds in mice and men

And I know that someday Ill forget and love again

But just between you and me I got my doubts about it

But just between you and me youre too much to forget

So Ive lost the only girl I ever loved

And so Ive never felt so low so what

Ill just tell myself each time I want to cry

That someday time will dry the teardrops from my eyes

But just between you and me I not so sure about it

Just between you and me youre too much to forget

Youre too much to forget
