

Charley Pride, Love Put A Song In My Heart

Yes your love put a song put a song put a song in my heart
Never have I heard this beautiful music before
Yes your love put a song put a song put a song in my heart
A beautiful song of two people in love evermore

It wasn't too long ago I thought I would never know
What reason has anyone to sing a happy song
I knew only loneliness but then I found happiness
And now I just want the world to smile and sing along
Yes your love put a song...

[guitar]

The meaning of life I find is you in my heart and mind
The meaning that only comes when two hearts beat as one
It's easy to understand once you've given love your hand
And followed through paradise the way that we have done
Yes your love put a song...
Yes your love put a song...
