

Charley Pride, No One Could Ever Take Me From

Darling no one could ever take me from you I'll be with you as long as you want me to
You wanted to be mine long before I hadn't a dime
And darling no one could ever take me from you
Oh when I'm talking you always know just what I mean
You're the one to understand my every dream
Through all the hungry years you're the one who dried the tears
And darling no one could ever take me from you
I know that you must worry and wonder when I'm gone
But each day I love you more and more I could never do you wrong
Whatever life may bring you'll be a part of everything
And darling no one could ever take me from you
Whatever life may bring...
