Charley Pride, Then Who Am I

If he's the one that's always on your mind the only one who's love can satisfy If he's the one that keeps your heart alive then who am I who am I Am I no more than just a rock you needed for a stepping stone Until the right one came along

If he's the one that live with you inside then who am I who am I guitar]

Am I no more than just a fool that held you up when you were down Until your true love could be found

If he's the one that live with you inside then who am I who am I Yes who am I who am I
