

Charley Pride, Top Of The World

How's the view from the top of the world I wonder are you still my girl
From so far above me can you hear my plea wait for me at the top of the world
I just thought you might like to know that someone down here below
Is hopefully climbing the ladder of fortune
Don't step on my fingers don't make me let go
From your view at the top of the world do you remember you're still my girl
Or have you forgotten your promise to me that we'd meet at the top of the world
