

Charli Baltimore, Pimp Da One U Love

[charli - intro]

Yo, yo

Charli baltimore

Suave house, what (pimp da one you love)

Yo, entertainment yeah

From n.y. to ga

Yeah yeah

This for all my ladies yo

All my ladies that are pimps

Right, cause we can be pimps ladies, we can be pimps

Yo

[charli]

From the intro, nigga had me hooked like indoe

Shoulda kept my shit tight like homes with no windows

But women knows

Ballers, be sayin' that right shit

On some layin' that pipe-shit

But me, got right quick

Open, still kept my feelings tight-lipped

Trippin', all game was slippin'

Off the hyped bit, always been the tight bitch

Keep these cats in line, pay that rent on time

And we'll talk about extra keys to my spot

When it's extra v's in my lot, extra g's in my knots

So how I managed to get damaged on 'chill with one nigga' shit

I was to break me off with some more figures bitch

I don't know, just caught me at the right moment

Vulnerable, nigga jumped up on it

With mind games, took me out of my frame

I ain't even want his payback, my homey tony drapper

He pimped for the guts and I was givin' 'em up

Can't tell me I can't have any player I want

And I burnt myself out tryin' to turn his ass out

All he wanted was a fling and no strings

Slayin' me, on some less weighin' fee

One-half of his shit

But when it blew up, I said f**k this rappin' shit

Been sheisty all my life, and it came back

It happens when your minds attached to your perfect match

[eightball] (rodney)

Charli baltimore put it in they face (pimpin' ain't easy)

Let 'em know that pimpin' ain't easy

Pimp ladies and pimp fellas (pimpin' ain't easy)

Gotta get the dough, no time for the jealous

Charli baltimore put it in they face (pimpin' ain't easy)

Let 'em know baby, pimpin' ain't easy

Pimp ladies and pimp fellas (pimpin' ain't easy)

Gotta get the dough, yeah

Pimp da one you love

[charli]

Yo, so what now? , after all this time has past

Just to find out, all along, it was just a gas

I asked my best friend, my dog for advice that got me

And I was twisted, haters got me

Yeah, no doubt, it's a nigga and shit

He was trippin' off the way I was op off the trick

He said, "yo, you can scoop any nigga you wish"

Just seperate the dick from your mind and shit

Make that punk recognize how your time was spent
How your time was lent, not how your mind was bent
Get yourself back from that cat
And rise above, only way to pimp
Is to pimp the one you love
Wise words, my dog got me trained right
Game tight, had to stay strong and to stay tight
Stay nights, with my doggie
Knew he had my back till the day I made eye contact
With my old boo, best friends, remember what I told you
Pimpin' ain't easy, gotta play sleazy
Went to his house, put it on him and bounced
F**ked him with my eyes open, got him groppin'
Tables turned, nigga stressed, nigga guessed
He could play a player
But I got schooled and fooled him
Ladies let me tell you how you get it and win
First shit on him and then say forget it on him, yeah

[charli - outro]

You know what I'm sayin'?
All these niggas go around talkin' bout they pimps
Ladies' is pimps, knwhatimsayin'?"
We know how to get to niggas minds
With the pussy and then get they minds yo
It's a mind thing, you know what I mean?
Niggas runnin' around on some bullshit
Ladies is takin' over
Gettin' these niggas f**ked up, yo
I'm tellin' you
The only way a lady can become a pimp
Is to start with that nigga that is always under you, yo
Pimp dat nigga
Make that nigga work for your ass
Yeah, yeah
This is the words of charli baltimore, 98 shit
You know what I'm sayin'?
Entertainment, suave hourse
Tony draper, t-mix
Big dru, and I'm out
