

Charli XCX, BTS, Dream Glow

i spend my whole life following the night time
can't see the stop sign what you gonna say
wondering quietly right into my dreams
it's all that I see what you gonna say

always feeling something bigger
something real wild
keep on shining make it bigger than a spotlight

sometimes I stop and stare
follow my dreams right there
Dream Glow
Glow

sometimes my dreams come true
sometimes they turn to blue
Dream Glow
Glow
