

Charli XCX, Talk Talk

I've been lookin' at you
Puttin' holes in your head
We've been talking for months
But never in the same room
Now I wanna approach ya
But we've been keeping this a secret
When you're surrounded by friends
And I'm just wondering what they know

I wish you'd talk, talk
Wish you'd talk, talk
Wish you'd talk, talk
Wish you'd just talk to me
I wish you'd talk, talk
Wish you'd talk, talk
Wish you'd talk, talk
Wish you'd just talk to me

I think you're getting closer
'Cause I've been getting nervous
I wish you'd talk, talk
Wish you'd talk, talk
Wish you'd talk, talk
Wish you'd just talk to me
Talk to me, talk to me

Are you thinking 'bout me?
I'm kind of thinking you are
I followed you to the bathroom
But then I felt crazy
I'm feeling like I'm on fire
'Cause we've been keeping this a secret
And all your friends are still there
And I'm just wondering what they know

I wish you'd talk, talk
Wish you'd talk, talk
Wish you'd talk, talk
Wish you'd just talk to me
I wish you'd talk, talk
Wish you'd talk, talk
Wish you'd talk, talk
Wish you'd just talk to me

I think you're getting closer
'Cause I've been getting nervous
I wish you'd talk, talk
Wish you'd talk, talk
Wish you'd talk, talk
Wish you'd just talk to me
Talk to me, talk to-

Wish you'd just talk to me, talk to me, talk to-
Wish you'd just talk to me, talk to me, talk to-
Wish you'd just talk to me, talk to me, talk to-
Wish you'd just talk to me, talk to me, talk to-

Talk to me in French, talk to me in Spanish
Talk to me in your own made-up language
Doesn't matter if I understand it
Talk right in my ear
Tell me your secrets and fears
Once you talk to me, I'll talk to you
And say, "Hey, let's get out of here"

Shall we go back to my place?"
