

# Charlie Daniels Band, Slow Song

I won't get you near me  
I don't blame you  
For not seeing my way  
Don't you worry, girl  
There's just too damn much power  
And I won't let it bother me  
All that I had  
Lets you think of me once in a while  
Everybody's got a dream to live long  
And I've got one of mine  
And I ain't got near to begin with it  
So I best be movin' on  
And I will think of you with me  
And when I do  
I don't know if I'll cry or smile  
I will think of you with me  
And when I do  
I don't know if I'll cry or smile
