

# Charlie Daniels Band, Sweet Louisiana

Well I thought I'd go out to Tulsa  
And ride in a rodeo  
Red beans and rice sure would be nice  
Back where the Mississippi River flows  
And it's a long way back to Vicksburg  
Mississippi River is muddy and wide  
But it don't seem like much  
When sweet Louisiana's waitin' on the other side  
Well there's a lot of room up in Canada  
Where a man catch his breath  
But the men are bold and the women are cold  
And you damn near freeze to death  
And it's a long way back to Vicksburg  
Mississippi River is muddy and wide  
But it don't seem like much  
When sweet Louisiana's waitin' on the other side  
There's pretty girls in Kansas City  
And a man can have a ball  
But the women in Ouachita Parish  
Drive a young man up the wall  
And it's a long way back to Vicksburg  
Mississippi River is muddy and wide  
But it don't seem like much  
When sweet Louisiana's waitin' on the other side  
Well I thought I'd go out to Tulsa  
And ride in a rodeo  
Red beans and rice sure would be nice  
Back where the Mississippi River flows  
And it's a long way back to Vicksburg  
Mississippi River is muddy and wide  
But it don't seem like much  
When sweet Louisiana's waitin' on the other side  
'Cause it don't seem like much  
When sweet Louisiana's waitin' on the other side
