

# Charlie Daniels, No Place To Go

When A man's been mistreated  
When he been kicked around  
He been laughed at and lied to  
Well it keeps going down  
{chours}  
When A man hits bottom  
Woman I know Yes I know  
Aint no place left to go  
Aint no place left to go  
I been locked out by A woman  
Locked out in the street  
I been locked up in the jailhouse  
I been locked for two months and three  
{repeat chours}  
{bridge}  
Well blue is my color  
It is on my wall yes  
13 is my number  
oh locked on my little name  
{repeat chours}  
{repeat bridge}  
{repeat chours}  
Aint no place left to go  
No place left to go {repeat chours}  
There aint no place left to go
