Miscellaneous  
Fabulous (1957)

Well I always knew, I was crazy for you  
Howd I know youd thrill me so?  
If this is love, its fabulous

Your lips close to mine, I get chills up my spine  
And when they touch, I thrill so much  
If this is love, its fabulous

I read in a book about love and its charms  
But I, I never knew till I held you in my arms (in my arms)

When I held you tight, well I know, I know I am right  
Cause only you can do what you do  
If this is love, its fabulous

Well I always knew, I was crazy for you  
Howd I know youd thrill me so?  
If this is love, its fabulous

Your lips close to mine, I get chills up my spine  
And when they touch, I thrill so much  
If this is love, well its fabulous  
Hmm, hmm, hmm, hmm, its fabulous  
If this is love, its fabulous
