

# Charlie Hall, Beautiful of Heaven

O beautiful of Heaven  
O sovereign God transcendent  
There is no one more majestic, mysterious  
There is no one more magnificent  
There is no other God but You  
There is no other more beautiful  
There is no other God but You  
There is no other more beautiful  
So set my mind upon You wholly  
Peel my fingers from the earthly, yeah  
Inject boldness in my confession  
As I proclaim this awesome truth, hey  
There is no other God but You  
There is no other more beautiful  
There is no other God but You  
There is no other more beautiful  
Holy God, fire of love  
Come O torch, burn me up  
Take my life, my offering  
'Til I am lost in the King of kings

Holy God, fire of love  
Come O torch, burn me up  
Take my life, my offering  
'Til I am lost in the King of kings  
There is no other God but You  
There is no other more beautiful  
There is no other God but You  
There is no other more beautiful  
There is no other God but You  
There is no other more beautiful  
There is no other God but You  
There is no other more beautiful  
More beautiful, more beautiful, beautiful  
'Til I am lost in the King of kings  
Take my life, my offering  
'Til I am lost in the King of kings  
Take my life, my offering  
'Til I am lost in You King of kings  
Here is my life, here is my life
