

# Charlie Hall, Chainbreaker

All stand applaud, Your Father God  
The Maker King who never tires  
Who renovates the human hearts  
And gives the broken brand new starts  
Redemption flowing from His hand  
We all can start at life again  
Heaven stands to celebrate  
For the ones who come today  
So come just as you are  
Come just as you are  
Chainbreaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer  
From slavery to bravery  
This is the love that reaches deep  
And Jesus cross split history  
It lit the dark and set us free  
Redemption flowing from His hand  
We all can start at life again  
Heaven stands to celebrate  
For the ones who come today  
So come just as you are  
So come just as you are  
Chainbreaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer  
You are free, you are free  
Yeah, the Son has set you free  
Drop your chains, sons and daughters  
Come and run in liberty  
You are free, you are free  
Yeah, the Son has set you free  
Drop your chains, sons and daughters  
Come and run in liberty  
We are free, we are free  
Yeah, the Son has set us free  
Drop your chains, sons and daughters  
Come and run in liberty  
Chainbreaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer  
Chainbreaker, Heart Savior  
Jesus, the great Redeemer  
Life changer, Liberator  
Jesus, the great Redeemer
