

Charlie Landsborough, After All These Years

My darlin come to me
Sit you down easily
And rest awhile
Near the soft fire light
Cold as the night
But warm is my heart with pride
Having you by my side
You're still my guiding light
After all these years

Your soft assuring ways,
The rock I lean on,
Saw me through my darkest days
When all hope had gone

You're still the only one
I'll ever hold near
And I still love you
After all these years

Time from me passes on
And I'm growing old
A lifetime nearly gone
I cannot unfold
Night dark and cold
But warm is your hand in mine
Feeble with ageless time
The light of love still shines
After all these years

Your soft assuring ways,
The rock I lean on,
Saw me through my darkest days
When all hope had gone

You're still the only one
I'll ever hold near
And I still love you
After all these years

I still love you
After all these years
